DEPUTY SECRETARY TO GOVERNMENT — 23 AUG 1951 — DEVELOPMENT DEPARTMENT

Respected Sir,

Subject: Iron & Steel - Scrap - Appointment as "Approved Scrap Dealer" in South Kanara Dt

---

May we recall our having submitted on the 23rd June,'51, for your kind consideration, a review petition for the appointment of ourselves as "Approved Scrap Dealer" in South Kanara Dt.

We regret to bring to your kind notice that we have so far not heard from the Concerned Department on the subject, though it is two months now, since we submitted the review petition.

This inclines us to believe the likelihood of a misplacement of our petition. For your kind information, we enclose herein a copy of the said petition, our Ref.No.A-260/51 dated 23rd June,'51.

May we respectfully submit that the Scrap-Dealership is indispensable to our old established hardware business and we therefore humbly pray that you be pleased to favourably consider our application and issue the necessary instructions to the Department concerned, for which act of kindness we shall ever remain grateful.

We remain, dear Sir,

Yours faithfully,

FOR MIZAR ANNAPPA ANANTHA PAI & SONS,

Review Petition.

Dear Sir,

Sub:- Iron & Steel - Scrap - Appointment as " Approved Scrap Dealer" in South Kanara Dt.
Ref:- Memorandum No.65973-L/51-1, dated 15-6-51, of the Development Department, Government of Madras.

****

Being aggrieved by the order passed in Memorandum No. 65973-L/51-1 dated 15-6-1951 of the Development Department, Government of Madras, the petitioner begs leave to present few facts for the kind consieration of the Hon'ble Minister.

1. The petitioner understands, that recently the Government have appointed a New-Scrap-Dealer.

2. The petitioner being Registered-Stockholder of Iron & Steel, and also Established-Importer doing business in this line of trade for the past 50 years cannot under any consideration be declared to be a New-Dealer, as he is already in the line.

3. Further, for West-Coast there is a dearth of Scrap-Dealers and even on consideration of Regional-Principle the petitioners should be appointed as Scrap-Dealer.

Under the above circumstances, the petitioners pray, that Your Honour be gracious to review our appeal.

Yours Faithfully,
FOR MIZAR ANNAPPA ANANTHA PAI & SONS.

To A.S.

W.r.t. the memo on p 3 of (A), please see the further petition and its enclosures on pp 1-3 above from M/S Mizar Annappa Anantha Pai & Sons, Mangalore for appointing them as approved scrap dealers at Mangalore.

There are no fresh points in the present petition for reconsideration of the case. The petitioners may therefore be informed that the Govt. do not find any reason to reconsider their previous orders communicated in their memo No. 65873L/51 - 1 dated 15-6-51. A draft memo is submitted for approval.

The petitioners have alleged that a new scrap dealer has been appointed by the Govt. in preference to them. In view of acute shortage of scrap, no new scrap dealer has been appointed in this State particularly from the Regd. Stockholders of Standard Iron and Steel. No action is therefore necessary. The petitioners need not be given any reply.

Regarding the allegation that there is no scrap dealer in the West Coast to meet the demands of that area, it is submitted that there are the following four approved scrap dealers in the Dt. of S.Kanara:-

(1) Katil Kanjanath Pai Bros.,Koondapur.
(2) H.Janardhan Manjunath Kamath,Hosdrug.
(3) M.Krishna R.Nayak & Sons.,Mangalore.
(4) K,Rama Nayak,Kasargad.

Out of the four approved scrap dealers, mentioned above, one is in Mangalore town proper and in addition to the above four the Govt. Polytechnic,Mangalore, who have been appointed as Controlled Scrap Stockists, are also catering to the needs of West Coast. No action is therefore necessary on this representation also. The petitioner need not also be given any reply on the above representation.
